About Us

Lions Tigers & Bears is an accredited exotic animal sanctuary on a 142-acre ranch in Alpine, California, dedicated to rescuing and providing a lifetime home for abused, neglected, and abandoned animals. Founded by Bobbi Brink, a leader in wildlife advocacy, we have rescued over 1,000 animals while fighting to end the exotic pet trade, cub petting, and the use of wild animals in entertainment. Our mission is to offer these animals a safe, enriching environment and inspire others to protect wildlife through education, outreach, and legislative advocacy.

Thank You

Thank you for considering a donation to our Wild in the Country Gala 2025 auction. Your generosity helps provide care and enrichment for rescued animals while supporting urgent rescues and ongoing advocacy efforts. Together, we can give these animals a second chance at life and create lasting change.
